## From the editor

Hi,

Well, here we are, the first edition for 2021. Covid19 seems to be under control, at least here in Australia and things are looking promising with many restrictions lifted so we can socialise more as a club.

So much has happened since our previous issue of the Odyssey Magazine. In this issue we have the usual photos from the Sunday rides, Branch Meetings and pleased to say our first branch dinner since early 2020. The dinner was followed by coffee and sweets at the Freene's. Many thanks to those who organised this successful event. There are photos from the January Chat'n'coffee.

On page 13 Michele Wagnitz kindly sent in some yummy recipes. One of which was a hit at the Freene's after dinner event.

This issue coincides with the Adelaide Branch AGM and the annual reports have been included from our President and Treasurer. The Committee has remained unchanged with the exception of Secretary which has now been filled by Gary Priest. All positions will be confirmed on the night of the AGM. The committee makes decisions about the running of the branch on behalf of the members. Sometimes these are difficult as we saw during the height of Covid19 with the cancellation of many events, rides etc. They are an essential part of this branch and should be congratulated on performing an excellent job. Not only looking after us but also coordinating the events we all enjoy. If you have any ideas or can assist the committee, it would be greatly appreciated.

Stay safe and keep well,

Cheers

*Maurice Stevens*

**P:S** Just on a side note I am selling my bike (pic above) for \$8,700 ono so if you know anyone looking for a Honda VTX1300, please pass on my details.

# Adelaide Branch President's Annual Report - Feb 2021

Wow, what a year. No-one could have predicted how our lives would change with COVID19 cropping up. Despite SA doing relatively well, we cancelled every Ulysses event, at some stage. -And that was without the hit to our personal lives. Hopefully the Odyssey can go ahead this year. Rides, meetings, dinners, SABC, and now morning teas, are all happening again. As always, check out the website or our Google calendar for details.

We got a weekender in just before things tightened up, and I was on a branch Wednesday ride the day SA went into hard lockdown. A cafe at Victor Harbor closed on the spot at lunchtime, and an adjacent fast-food joint was bemoaning the loss of trade for the next week. It turned out to be a storm in a teacup/pizza-shop, but just showed how rapidly things can change.

So, the plan is to carry on as usual while we can, reacting to government announcements as they happen, and obeying whatever rules are proclaimed. It looks like checking in to venues will be with us for a long time. And I'm painfully aware that many attending meetings don't ride any more, or maybe infrequently. Branch activities are for you too. Come along to events in a car if necessary.

From the committee nominations in, you have about the same mob running the branch as last year. My thanks to all those people, the committee, the volunteers, the ride leaders (including Wednesday rides), the magazine editors. We take them all for granted, but without all those people, the branch would come to a standstill.

With the national AGM/Rally cancelled two years in a row, and who knows, maybe longer, I think we need to make even more of an effort to reach out to other branches. For that, some recruitment, weekenders etc, your committee is all ears for suggestions.

This last year we lashed out on a new logo, banners and badged shirts. We have stock of some sizes of shirts, patches, Old Man large patches, belt buckles, bumper stickers. These are usually available at meetings to purchase. The non-branch stuff is going out at half price. Bring your cash!

Here's wishing you all a better motorcycling year in 2021.

Ken Wagnitz,

President, Ulysses Club, Adelaide Branch.

# Adelaide Branch Annual Treasurer's Report 2020

Well folks it's time to reflect on the branch financial position for the previous year ending 31<sup>st</sup> day of December in the year of COVID-19.

We had limited Meetings, Dinners, Breakfasts and Social Events. Both the Xmas Dinner and the Odyssey Event cancelled which meant less money into our coffers but overall, not a bad result for the year of a total drop of **\$2490.69** in our accounts (\$2000 of which is Bushfire Donation)

If anyone has any questions, queries or concerns about any of the information or figure's in the listed details please contact me, Peter Castle 0403 007 415 so I can resolve the issue.

# Sunday Ride Round Up 13<sup>th</sup> December 2020 Pt Elliot Ride Leader **Frank Pellas**

It was a grey day, and the temperature was forecast to climb to 35 degrees. We had 18 people at the beginning of the ride - not too bad considering the time of year and the weather forecast. John Huntly joined us as a guest on his immaculate Breakout, (it's a Harley).

This was only my second Ulysses ride this year due to my knee replacement with complications in December. The GS is tucked away until I can get my leg over it and ride pain free more than 15 minutes at a time. So, the ride was led by me on Brigitte the BMW scooter. Thanks to all who came along for accepting this unusual departure from ride leading form.

We set off in procession up Norton Summit Rd stuck behind a taxi and a gaggle of cyclists. Slow and frustrating, but at Norton Summit we had a clear run to Summertown. It was there that I remembered to turn on my helmet camera, so the video (see the link below) starts there.

The ride was uneventful, except for the speed camera we passed coming in to Balhannah. Then we stopped at Wistow for a mob up. It took ages for our TEC, the irrepressible Peter Wood, to catch up. An unfortunate combination of short legs and a long drop saw Kim have a lie down as he turned on to the Princes Highway. A helpful driver and Peter helped him back upright, and we continued on to morning tea at Milang once they caught up.

Two more joined us at Milang and four went home. As we left Milang, we had a few sprinkles of rain riding alongside Lake Alexandrina - it was 30 degrees. Actually, the highest temperature was 31 at Victor Harbor, so that made things quite comfortable. There were some comments though about the state of Greenhills Road which is definitely not comfortable. The Hotel Elliot was our lunch stop arriving on time at 1:00pm. Good food, empty (mostly) roads and tall stories made for a satisfying time.

Thanks to Peter Wood for his flawless TEC duty, and thanks to all who came along for the ride.

ps. The speed camera was facing the other way, so we will all be Ok.

# Sunday Ride Round Up 17<sup>th</sup> January 2021 Tanunda

Ride Leader **Mike Green**

The first ride for the New Year, destination Angaston, drew a moderately large crowd of some 25 bikes, clearly everybody was keen to get back on the bikes. Prior to leaving McDonalds, I read out a message from Andy, who has returned to NZ. He hadn't ridden since October, but his bike has finally reached him. Andy was a regular starter on our Sunday rides, and we will miss his company. Ride safe, Andy.

The weather looked a little threatening, and up near Mt Torrens, it started to rain, but luckily it was short lived. Just as well, because I left all my wet weather gear at home. The weather hadn't stopped many of Adelaide's bike community, as there were a lot of other bikes on the road. After a stop at Mt Pleasant, heading out on the Angus Valley Rd towards Walker Flat, I experienced one of those moments that you don't want. As we were negotiating the first set of twisties, approaching a blind right hander, a large 4WD came at me across the double lines, and taking up a good two feet of my side of the road. I survived, but probably due more to luck than anything else. The pillion in a million on the back seat let out a rather rude comment as I swerved towards the left-hand side of the road. And I agreed with her.

After we regained our composure, and heading down the hill towards the plains on the east side of the ranges, I got stuck behind another 4WD, just as well as it turned out. He suddenly hit the brakes, and I followed suit. There were two kangaroos standing right on the left-hand edge of the bitumen. Fortunately, they hopped away up the hill rather than out in front of us. I was beginning to think I must have killed an albatross or broken a mirror or something. Then I realised I had experienced good luck, rather than bad luck, so I immediately felt better. A timely reminder that we all have to anticipate the worst when out on our bikes, and make allowances for the unexpected.

The ride continued uneventfully to Angaston, where we lunched at the bakery. Ivan dropped in to say hello, as he is currently bike-less and wasn't a starter this time.

### Welfare Officer - Friendly Reminder

As Ulyssians we greatly value the camaraderie and support that is provided by our fellow members.

Adelaide's Welfare Officer is a central person in our branch to ensure members in need are assisted in whatever manner is appropriate for that individual.

All members have a responsibility to inform the Welfare Officer if you know of someone who needs support. Perhaps they are unwell, had a close relative / companion die, or experiencing any other physical or emotional need.

Let the Adelaide Branch Welfare Officer know immediately so she can organize a hospital visit, home visit, send a card or arrange any other appropriate help.

## Getting there.....

Best way to enter the complex is via Alawoona Avenue, which is off Marion Rd, South Rd is a bit of a nightmare to navigate if you don't know the area.

Best parking is either in P3 or P4 which are on the Alawoona Avenue side of the precinct. Enter the MAB via Gate 8, which is up a flight of steps near P3.

**If anyone has mobility issues then I suggest they get dropped off at Gate 1 of the MAB building, then go and park. Disability parking spots are available just north of Gate 1.**

Thank you to Jane Esman for suggesting this venue and organising the tour.
